

SUMMER NEWSLETTER 2018

Anglia Heating Training Ltd, are very proud to announce that we have become sponsors of a second local Norfolk football team. The Swanton Morley mixed Under 11's will be playing this season with their updated kit sponsored by ourselves and the local Indian Restaurant.

We all wish them and the Bungay Town Girls Under 14's all the very best for the start of the upcoming season of 2018 / 2019!!

GSIUR UPDATE

As most of you will already be aware, the GSIUR has been republished this year. It is now available as L56(Fifth Edition) Published 2018.Regulation 26(9) and also Regulation 36(3)will more than likely be of interest, as it covers aspects that you will probably come across. The new publication is readily available on the internet.

AHT WEBSITE

Our newly updated website has been designed to be more user friendly, with some good quality photographs, and provide more information on some of the courses we run. Please visit at:

www.angliaheatingtraining.co.uk

This September we will be celebrating the 2nd year anniversary of Anglia Heating Training Ltd opening its doors! We would like to thank all engineers who have used our centre for their training requirements, for all engineers and companies who have donated training appliances, and of course for your continued and valued custom. THANK YOU!

FACEBOOK

As such a massive media icon in this day and age, we again would like to thank you all for your positive and complementary posts, and recommendations. We will always strive to deliver the best quality of training and assessing as possible, however we are open to ideas and suggestions. If you feel there is anything we need to cover or use a different approach to, please contact our Centre manager Lorraine who will be happy to help you.

MLP - Managed Learning Program

We have had a very successful few months with the start of the new MLP. The new structure appears to be working well with the candidates and training staff, with our first set of candidates nearly ready to start their Portfolios. Courses are structured to suit the candidates needs and to guide them towards the relevant ACS avenue they wish to take. Please contact our office if you require further information on the new entrants Managed Learning Program.
